□

SPORTEX Fashion Wear Quality and Italian style at the right price. The right item at the right price, always keeping the Italian style and manufacturing. This is our philosophy, followed ever since we began to work in the men's clothing industry. Sportex is a company who has been working in the textile industry and men's fashion market for 15 years: this long and important experience allows it to be recognised in our country and in the world as well, like a trustworthy, professional and high-quality institution.

Descrizione

SPORTEX produces, distributes and sells a vast array of items of clothing that can be divided into three main categories: Classic: suits, shirts, ties, coats and jackets that can dress different kinds of men, from the young man that has to graduate, to the affirmed manager that dresses elegantly every day. Regular suits, short, long and slim, all made in specialised localities in Campania, a land famous for its history and experience in tailoring and all characterised by material Made in Italy that satisfies all our Clients, even the most demanding ones. Casual: Unlined jackets with a typical Italian taste, cotton trousers, jumpers, polo necks and slim fit shirts complete the outfits that can be worn every day. And for more sporty clients, jackets made in high-tech material, down jackets, heavy jackets and lots more as well. Supplies: We have dressed many and different important realities with our clothes, like Hockey Asiago, the Italian National ice hockey team, the commercial staff of many companies, bands and choirs in all the Veneto region and not only. A flexible and personalised service always ready to satisfy the client which guarantees the image we want. Buy directly from our e-commerce site
