

Alfio Santi has been constructing and maintaining swimming pools for more than thirty years

Mappa

Descrizione

Alfio Santi has been constructing and maintaining swimming pools for more than thirty years, satisfying various clients in the process, even the most demanding ones. Experience and trustworthiness have led him to work around the world. Worn are the hands of those who have toiled for a lifetime with a vision and a thirst to learn from others who are better than him. Alfio Santi, 64, is an entrepreneur from Gualdo Cattaneo. His business lies in installing and maintaining both private swimming pools and those in entertainment complexes (including waterparks and public gardens). He joined the industry in the late 1970s. Since then, he has worked with all the passion of a craftsman who discovers the most beautiful aspects of his work day in, day out.
