

## G&G Footwear - Leading company offering production of PVC and nitrile rubber footwear Italy

### Mappa

□

 **HISTORY, TECHNOLOGY AND PASSION** The all-round knowledge of PVC and nitrile rubber has always guided G&G Footwear since the day it was founded. More than 35 years ago, Giovanni Boscaglia decided to enter the footwear sector with innovative materials, capable of revolutionising the sector thanks to their unique characteristics. The constant renewal of creations and the continuous search for new models and materials are the elements that distinguish G&G Footwear. Today, the company is capable of spreading and promoting quality, experience and Italian manufacturing all over the world, marketing a wide range of products in an increasingly vast market. G&G Footwear, 100% Made in Italy. Italian labour, combined with modern technology and experience, make G&G footwear a unique product. G&G Footwear LLC Via IV Novembre, 11 S.
