Alimec RUSSO: ALIMEC - TECNOLOGICHESCO RAZVITIE. S 1983 goda my p roizvodim avtomaticheskie i poluavtomaticheskie sistemy dlya proizvo dstva pečen'ya, tortov, keksov, pončikov, farširovannykh kruassanov i n apolnitel'ey dlya pizcy. Proekty, kotorye pojavlyutsya v rezul'tate akt ivnogo sotrudnichestva s natsional'nymi i mezhduarodnymi zakazčika mi, imeyut četkuyu cel'yu: predložit' opyt, tehnologii i izobretatel'no st' v kachestve resheniya samykh slozhnykh proizvodstvennykh zadach. My ra dy novym vyzovam, dazhe tem, kotorye kazyutsya trudnymi ili nevozmozh nymi, predlagayem avtomaticheskie linii, sootvetstvuyushchie vysokim st andartam proizvodstva. S aktivnym i dinamichnym podhodom my ezhedn evno rabotayem nad tem, čtoby vsегда predlagat' luchshee s točki zreniya kachestva, tehnologii i tehničeskoj podderzhki. KOMPANIYA: V 1983 godu proekt Alimec načal obrabatyvat' formu v malen'koj remeslennoy master'sk oy, gde sozdavayutsya pervyye mashiny dlya ital'yanskogo rynka. So vremen em, po mere rosta zakazov, reshayutsya različnyye zadachi: uveličeniye poč asovoy proizvoditel'nosti, sokrashcheniye otkhodov, uskoreniye izmeneniya formata, dobavleniye različnykh начинok, idealnoye raspredeleniye in gredientov. Celye dni, inogda nochi my provodili v poiskakh ideal'nogo o resheniya dlya zaprosov klientov. Blagodar'ya aktivnomu uchastiyu vse bo l'shemu štatu sotrudnikov, gotovykh priyat' novyye vyzovy, pod ruково dstvom deystvuyushchego menedzhmenta i sil'noy intuitsii, Alimec načina et vykhodit' na mezhduarodnyye rynki, orientiruyas' kak na kompanii s rednogo razmera, tak i na bol'shiye gruppy. Sposobnost' videt' dallye i osobaya predraspolozhennost' k kontaktu s klientom delayut Alimec ser odny na dezhnym partnernom, sposobnym sozdavat' vysokoproduktivnyye mashiny i sistemy, podkhodyashchie dlya udovletvoreniya samykh trebov atel'nykh zaprosov rynka. V 2016 godu proizoshla ešche odna evolyutsiya: is toričeskaya štab-kvartira Alimec ustupaet mesto Pramecs, novoy kompan ii, kotoryaya zanimayetsya mekhanicheskoy obrabotkoy. Alimec perezeezhaet na novoye i bol'sheye krupnoye predpriyat'ye v dolinax Pasubio, ešche blizhe k gor nyim veršinam, kotorye rasslablyayut vzglyad i v to že vremen'ya vдохновля ют podnimat' mechty na vysokie urovni. searching for what is not always obvious, the perfect solution to customer requests . With the active participation of a highly-efficient and dynamic staff, always ready to accept new challenges, driven by strong and intuitive leadership, Alimec began climbing international markets, addressing both mid-sized companies and large groups. Farsightedness and special attention paid to customer relations today make Alimec a reliable partner, capable of producing high-performance, custom-made machines and lines to meet the needs of our most demanding customers. . During the 2016 there has been another evolution: the historical Alimec site, left its place to Pramecc, a new owned company, specialized in mechanical processing. Alimec moved into a new and bigger factory into the green and lovely valleys of Pasubio mountains, even more closer to the beloved peaks, which are relaxing for the view and, at the same time, inspire to move the dreams higher and higher.
